Why, some might wonder, do we study the Old Testament? Isn't it enough for a Christian to study and appreciate the New Testament? Christians cannot understand the New Testament and Jesus without understanding the Old Testament. But in itself--and not just because it points to the New Testament--the Old Testament has permanent value. It contains profound teachings, beautiful prayers, and some of the greatest literature ever created. Most important, in the Old Testament we encounter God, its inspiration.

Once equipped with a Bible, this workbook, and a willingness to participate in this study, young people are ready to discover the meaning of the Old Testament and to encounter God in the process.
