Gwendolyn was born with Apert Syndrome, a rare and obscure birth defect requiring multiple and lengthy hospitalizations. While in the care of a professional nurse, she was molested resulting in trauma which split her personality and took the remembrance of this event from her own conscious mind beginning a legacy of secrets!

Bullying by students and misbehavior by additional personalities made school very troubling. By the time Gwendolyn had graduated from high school, her mind had split into three additional personalities. She sought therapy, she sought friendship, but nothing helped-until she met a kind, Christian woman who told her about a man named Jesus.

Shattered Secrets is the true story of one woman's walk through hell to finally find heaven in her Savior, Jesus Christ. There were so many people who gave up on her, but God never did. John 8:36 says, "If the Son sets you free, you are truly free." Gwendolyn is truly free of the pain, and shares her story within these pages to give hope to the hopeless.
