The Killing of a Bank Manager

Paul Kavanagh

The Killing of a Bank Manager Paul Kavanagh

From the back seat of a porn theatre, from the word lovers' asylum, Honest Publishing's second release is the controversial, earth-shattering, mind-smacking *The Killing of a Bank Manager*. Inspired by John Cassavetes giving away the ending and James Joyce selling his soul to *The Benny Hill Show*, Kavanagh has deconstructed and reconstructed wordage to blow the contemporary reader's iMind. *The Killing of a Bank Manager* revolves around Henry, a man on the edge, head over heels in love with beauty, literature and drinking. The moments before, the days that lead up to, the years that have built up to, the green doors and Richard Dadd. The story bubbles with greed, desire and the dangers associated with groups, the journey into and out of consciousness. It's the daily grind meets the daily muse. And Henry loves Laura, the honey in Winnie the Pooh, as well as razors and flights of fancy, quotes and stealing the words of others for his own battered ego. The perfect antidote to beach reading, *The Killing of a Bank Manager* will tease the hell out of heaven and knock Mr Mainstream's spotless teeth out onto the bathroom floor. You know how it ends. Now find out everything else.
