**To Be Loved** Pearl Love

## *Sequel to To Be Human*

Tim's designation TM 05637 thought he'd escaped his fate as a genetically engineered supersoldier when David Conley offered him a precious chance at a normal life. But General Woodard, Tim's handler, captures them, crushing Tim's short-lived dream. Thrilled at the return of his pet killing machine, Woodard plans to break Tim's resistance by forcing him to virtually kill David.

Fortunately, Dr. Paul Anderson, the scientist who created Tim, offers them a chance at freedom. But a deadly weakness implanted in Tim's DNA threatens his life. Without regular doses of a special medication, Tim faces debilitation and even death. In search of a more permanent solution, Dr. Anderson enlists David's help to infiltrate a base where a cure is kept. But David is unable to fully trust Tim, haunted by seeing Tim killing him in Woodard's brutal training simulations.

Desperate to protect David, both from the general and himself, Tim struggles to find the strength to leave the man he loves while completing the mission. With Dr. Anderson's help, Tim and David try to stay a step ahead of the general, knowing they must reach the cure before mistrust tears them apart, Woodard catches up with them, or the clock runs out on Tim's life.
