“Each story contains strength and compassion, even when the personal cost is high. The depictions of battle and trauma are rarely graphic, but they're as hard-hitting as the subject demands. This is a truly impressive accomplishment for Guran and her contributors.” - *Publishers Weekly* (STARRED)

From fantastic legends and science fictional futures come compelling tales of powerful women-or those who discover strength they did not know they possessed-who fight because they must, for what they believe in, for those they love, to simply survive, or who glory in battle itself. Fierce or fearful, they are courageous and honorable-occasionally unscrupulous and tainted-but all warriors worthy of the name.

Join bestselling authors, Elizabeth Bear, Nancy Kress, George R. R. Martin, Elizabeth Moon and many others as they celebrate the STRONG FEMALE PROTAGONIST in what *Publishers Weekly* calls an “epic anthology”.
