Be Careful What You Witch For Thomas Hoobler

Magic is tricky. It looks easy, when your aunt is a witch. But when an ancient book of spells jumps off a shelf into Olivia's hands, she finds out that magic can be hard to handle. But hey--now she can get the attention of her new crush who's more interested in comic book superheroes. Except now he's following her around all the time, and that's a little disturbing. No problem, Olivia will just cast another spell on the popular girl who's her enemy. Whoops, that conjures up more trouble. It's time to look for some help, and there's an 800-year-old woman down the block with more spells. But will she arrive in time?
