Dark Water: A gripping serial killer thriller (Detective Erika Foster) (Volume 3) Robert Bryndza
Beneath the water the body sank rapidly. She would lie still and undisturbed for many years but above her on dry land, the nightmare was just beginning.

When Detective Erika Foster receives a tip-off that key evidence for a major narcotics case was stashed in a disused quarry on the outskirts of London, she orders for it to be searched. From the thick sludge the drugs are recovered, but so is the skeleton of a young child.

The remains are quickly identified as seven-year-old Jessica Collins. The missing girl who made headline news twenty-six years ago.

As Erika tries to piece together new evidence with the old, she must dig deeper and find out more about the fractured Collins family and the original detective, Amanda Baker. A woman plagued by her failure to find Jessica. Erika soon realises this is going to be one of the most complex and demanding cases she has ever taken on.

Is the suspect someone close to home? Someone is keeping secrets. Someone who doesn't want this case solved. And they'll do anything to stop Erika from finding the truth.

From the million-copy bestselling author of *The Girl in the Ice* and *The Night Stalker*, comes the third heart-stopping book in the Detective Erika Foster series.

Watch out for more from DCI Erika Foster.

She's fearless. Respected. Unstoppable. Detective Erika Foster will catch a killer, whatever it takes.

- 1. THE GIRL IN THE ICE**
- 2. THE NIGHT STALKER**
- 3. DARK WATER**

Read what everyone is saying about the Erika Foster series:

I freakin' LOVED it! . . . Once in a while a book stops you in your tracks . . . this is THAT book!
Crime Book Junkie
