**Great Harry's Navy** Geoffrey Moorhouse

**Ground-breaking history of how King Henry VIII created England's navy**

It was Henry VIII who began the process of making England a first-rate sea-power. He inherited no more than seven warships from Henry VII, yet at his own death the King's Navy had 53 seaworthy ships afloat (much the same size as the Royal Navy today) manned by almost 8,000 sailors.

Henry VIII originally needed a navy to hold the English Channel and blockade the enemy while he invaded France. Later when invasion from the continent grew serious Henry's navy fought in many actions.

Moorhouse doesn't only deal with seagoing exploits. Thanks to Henry VIII dockyards were built (Greenwich and Deptford), timber had to be felled in quantities previously unknown (from land seized during the dissolution of the monasteries), and hemp (for rope) was harvested; new skills were developed, not least the gun-founders and the master shipwrights.

Some of the ships were celebrated - 'Henry Grace a Dieu' (aka 'Great Harry') was the biggest ship in the world - 1,000 tons, 122 guns, crew of 700 and the 'Mary Rose' (500 tons, 80 guns, 40 crew) became one of the most famous after she heeled over too far, took water and sank with the loss of almost all hands off Portsmouth.

#### **Kirk Mathews:**

That book can make you to feel relax. This particular book Great Harry's Navy was multi-colored and of course has pictures around. As we know that book Great Harry's Navy has many kinds or type. Start from kids until teens. For example Naruto or Private investigator Conan you can read and think that you are the character on there. Therefore not at all of book usually are make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book for you personally and try to like reading in which.

#### **Ruth Little:**

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Great Harry's Navy can make you truly feel more interested to read.
