*"Watch out Clive Cussler! There are new kids on the block!" John Pye*

Jonathan de Chevalier Mason has it all: A promising career designing warships for Her Majesty's Navy, a beautiful well-born wife and two children. Two of his new ironclads are sending shockwaves rippling through the navies of the British Empire's European and American rivals.

But Jonathan has designed another revolutionary warship--one so terrible that whoever possesses it will be the undisputed master of the seas. And no one wants it more than the very people Jonathan works for--the British Government. But, for reasons of his own, Jonathan has no intention of ever allowing his creation to see the light of day.

One gray winter morning he is arrested on a bogus charge of treason, tried and convicted in a secret court, then packed off to a remote penal island to toil ceaselessly in steaming jungle.

Then fortune smiles on Jonathan when he encounters an elderly priest and his little band of followers. Together the two men hatch a plot to escape and forever be free of the tyrannical governments that unjustly imprisoned them. But Jonathan has a score to settle and soon his betrayers will feel his wrath.

Paying homage to Alexandre Dumas, Herman Melville, and, of course, Jules Verne, **I, Nemo** is a deep sea, high stakes adventure that will leave you wanting more!
