Observations upon the Prophecies of Daniel & Apocalypse of St. John Sir Isaac Newton

Excerpt from Chapter 1: Introduction concerning the Compilers of the books of the Old Testament. “When Manasses [1] set up a carved image in the house of the Lord, and built altars in the two courts of the house, to all the host of Heaven, and us'd enchantments and witchcraft, and familiar spirits, and for his great wickedness was invaded by the army of Asserhadon King of Assyria, and carried captive to Babylon; the book of the Law was lost till the eighteenth year of his grandson Josiah. Then [2] Hilkiah the High Priest, upon repairing the Temple, found it there: and the King lamented that their fathers had not done after the words of the book, and commanded that it should be read to the people, and caused the people to renew the holy covenant with God. This is the book of the Law now extant.”
