This workbook is a practical study aid for women who desire a meaningful journey into the victory of Biblical womanhood.

Women have used this workbook in conjunction with Virginia's first book, *On the Other Side of the Garden*, to lead group studies all across the nation. It also references her second book, *Victorious Women*, which has real-life applications of these Biblical truths.

This workbook is not a stand-alone product. It is meant to accompany the book, but it is not essential to have the VW book.
