This lovable new character is about to have a BIG day: he's going to school for the very first time. But in a funny and sweet example of transferring fears to others, Panda worries about Mama, not himself. *Won't she be lonely if he's away? Who will make lunch with her?* Mama has a reassuring answer for all his anxieties—but when he enters the classroom, Panda's still unhappy. Then, a sympathetic teacher and a wise idea from Mama make everything okay after all.

Cute and colorful art, a classroom of friendly animals, and a story every child can relate to will make this a favorite.
