Phoenix Reborn Rafael A. Marti

Nathan Christopher Styles, a former US Army Special Forces operative, embarks on a perilous journey that may cost him his life. Seeking safety as he bravely confronts his alleged adversaries, he must also battle personal demons in the form of paranoid-schizophrenia. Styles relies on trusted confidants as he attempts to navigate the pitfalls -- all the while unsure his trust is always well placed. He's a man who thought he had it all, suddenly finds himself alone, his world shattered. His circumstances offer scant hope of reclaiming a normal life as he fights just to stay alive. "Marti's previous works revealed his ability to expertly weave a tapestry of danger and suspense. However, Phoenix Reborn is positive proof that this author has outdone himself with his uncanny talent for story-telling. This book will have readers begging for more!" - James R. Atwood, Master Sergeant (Retired), U.S. Army Editor
