Is divine healing for you?

Are you sick and tired of being sick and tired? You can be healed and happy by possessing the abundant life God desires for you—*today!*

Possessing Your Healing—Taking Authority over Sickness in Your Life challenges the religious constructs that prevent people from walking in their healing.

“Sacred cows” are examined that may be hindering the flow of the power of God in your life. You will be challenged, encouraged, enlightened—and most of all, you will be blessed when you use the practical keys to unlock God’s promise of healing for born-again believers.

Because of the lack of manifestation of healing in people’s lives and the hopelessness that sickness produces, people have judged God as unfaithful; they do not see God as their Healer, their personal Great Physician—yet that is exactly what He is.

Possessing Your Healing is *not* written especially for ministers or people involved in healing ministry—it simply gives every believer the basic principles of the New Covenant and shows how everyone can enter into the reality of healing.

This book teaches you how to be healed!
