Stranded : Stormy's Adventure Mary H. Wright

Stranded, Stormy's Adventure is based on the true story of Stormy, an 18-month-old bottlenose dolphin who was separated from his mother during a tropical storm in the Gulf of Mexico and stranded on the Texas Gulf Coast. The Texas Marine Mammal Stranding Network came to the rescue and nursed Stormy back to health. They gave him his name, and they asked me to give him a voice. It's an exciting story about getting lost in a storm, tangling with sharks, winding up stranded, and being rescued by strange creatures called "humans." This is a full- color, illustrated picture book for ages 6 to 9. All profits from the book go to the Stranding Network.
