For courses in Child Development which take a chronological approach

This package includes MyPsychLab®

A balanced presentation of developmental theory, research, and applications

Child Development, Seventh Edition offers students a balanced, up-to-date overview of developmental theory and research with a focus on application to students' personal lives and future careers. Organized chronologically, the text features a variety of student-focused tools that make the study of development interesting and engaging. Author Robert Feldman's emphasis on practical, take-home information provides students with knowledge they can use during the course and beyond.

Personalize learning with MyPsychLab

MyPsychLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

Child Development, Seventh Edition is also available via **REVEL™**, an immersive learning experience designed for the way today's students read, think, and learn.
