Day Trading - A Complete Beginner's Guide

Before you decided to make a ton of money in the trading market, you have to ask yourself a few questions. How motivated are you to learn the secrets to help you profit 90% of the time in the market? Are you willing to invest a lot because there is no guarantee that you will make a profit every time? Would you invest in investors who are not interested in trading in the market will surely lead you to huge debt?

Many beginners are afraid to begin their journey to trade because of their past failures. You will feel when you get attention to what is what is not understood.

Here Is A Preview Of What Inside The Book:

- Stock market day trading is a great means of making money with a little of gambling. You have to have some strategy to follow when participating in stock market day trading.
- The secret of stock market day trading, or any trading for that matter, is to always buy stocks low to sell high.
- Getting a stock market picker who has been on many stocks is a very difficult task. It is not easy to find a stock market picker who can double or triple in value over a very short period.
- A day trading strategy is not magic. It is a concept of how the market works and how to trade it.
- One of the worst mistakes traders make is to chase a stock. By the time the stock looks like a 'sure bet', it is usually going up for a reason and a reason to reverse.
