Feeder Birds of Texas (Cornell All About Birds Series)

For bird enthusiasts, offering food at feeders is a way to enjoy a close-up view of target species while helping them survive and thrive. This richly illustrated guide profiles 65 common Texas feeder birds along with feeder types and recommended foods for attracting each species. It also provides recommendations for feeder placement and maintenance, tips for deterring rodents, squirrels, and nuisance bird species, and notes resources for making your own feeders and feeder foods. A portion of the proceeds from the sale of this guide support continued educational activities by The Cornell Lab of Ornithology. Made in the USA.
