SECRETS ABOUT GROWTH HORMONE to Build Muscle Mass, Increase Bone Density, and Burn Body Fat!

GROWTH HORMONE (GH) IS A HOT TOPIC. It seems that all of the movie stars, celebrities, and body-builders are taking it, and they look fantastic. Baby boomers interested in anti-aging are taking it and saying that it keeps them young.

But you may have heard that it is expensive... and dangerous. So what's the story? What are your options? Do you need it? Should you take it? How do you use it? Can you afford it? How can you raise GH naturally?

Secrets About Growth Hormone, shows you how Growth Hormone levels drop as we get older, when to intervene, and what treatment options are available to optimize your health. Carefully read this book before making any decisions about using GH supplements.

I wish that *I* had been given this information eight years ago when my friends were encouraging me to inject a Growth Hormone stimulator to help me feel better. My problem was that I had finally collapsed into utter exhaustion, unable to do much of anything for months at a time. I felt hopeless, angry, and confused. So I decided to give the Growth Hormone stimulator injections a try.

They made me feel fantastic!

But two months later, I ended up in a dreadful surgery to remove a deadly cancer from my nose.

Luckily, the universe gave me a second chance at life. I made a decision right then and there to find out everything that I could about hormones before I ever messed around with my own hormones again.

In my search for answers, I discovered that:

- **My health problems were primarily caused by my hormones.**
- My doctors knew little to nothing about helping me to heal my hormones. Following their advice and taking their toxic prescriptions would only make me sicker.
- The information that I needed to heal my hormones and overcome my health problems was not in books or on the internet.

To unravel the hormone mystery, I began years of intense study with the smartest bioidentical hormone replacement experts on the planet. I developed a plan to heal my hormones and completely regain my health. I followed my plan. It worked.

And now I want to help you do the same.

That is why I have written the Bioidentical Hormones book series. **Secrets about Growth Hormone** is the third book in this series.

Secrets about Growth Hormone could save you from an early death, either from using risky supplements or from not doing anything at all.

- You will learn how to determine if you need Growth Hormone replacement.
- You will find out how to get tested and what tests you will need.
- You will learn what options you have for bringing your Growth Hormone levels up, as well as the risks, side effects, and affordability.

After all, deciding to optimize your hormones (including Growth Hormone) is a decision that you make because you have a vision of a healthier life. **It's your chance to take control of your health and your life.** *Read this book and learn how to optimize your own levels of Growth Hormone SAFELY. Discover the secrets about Growth Hormone that will enable you to live a life of renewed health and vigor.*

Secrets about Growth Hormone will show you how to create the kind of lifelong health that will allow you to look great, feel great, lose weight, and have better sex!
