Story Bridges: A Guide for Conducting Intergenerational Oral History Projects (Practicing Oral History) Angela Zusman

Angela Zusman offers an informative guidebook with step-by-step directions for planning and implementing intergenerational oral history projects, using youth to interview elders. An expert on these programs, Zusman uses her experiences and those of other oral historians to show how community projects are organized, youthful historians located and trained, interviews conducted, and the project archived for future community needs. Included are a variety of sample documents and case studies designed to ease the process for the uninitiated.
