WIZ II Shante F. Green

Queen Dorothy has proven herself to be a caring, powerful, brave leader for her planet, Optimum Zoë. By leaning on God for strength, she has defended her people from evil forces across the galaxy. How will she react when the planet she grew up on, the planet she left, comes under attack as well? Although she is still recovering from her time in battle, Dorothy seems to be leading a charmed life on O.Z.: her grandmother is with her, Aaron appears to be the perfect suitor, and her planet is rebuilding to be stronger than ever. But, her utopia quickly begins to unravel when her grandmother's health is again in crisis and some of Earth's citizens, including Dorothy's best friend, begin asking questions about the mysterious government operation that has touched the Roberts family. In a fast-paced sequel to the first WIZ, Dorothy finds that O.Z. might not be the only planet she loves that is vulnerable to attack from alien armies, and that her perfect love affair just might be rockier than she thought. Will she be able to save both planets? How will she possibly unite her loyalty to the crown with her feelings for her old life?
